AND

Truckee Republican

Consistently Serving the Great North Tahoe-Truckee Recreational Area Since 1869

96th YEAR — NO. 39 | Truckee, Nevada County, California | Thursday, Sept. 2, 1965 | 10c Per Copy—$3 Per Year | Since 1869

Rodeo Arena May Be Included With Recreation Park

If plans being formulated by the Truckee-Donner Horsemen's Association materialize, this community will have a full-fledged rodeo area next year.

Frank Snyder, president of the association, said he has discussed the project with numerous groups and individuals and has found whole-hearted support for the plan.

An ideal location for the proposed facility, Snyder said, would be a corner of land on the property being developed by the Truckee-Donner Recreation and Park District just south of the Truckee river on the Brockway shortcut. There is a section of his land comprising approximately 17 acres which is level and ideally situated for a rodeo grounds.

With the Horsemen's Association as sponsor, other organizations including the service clubs, chamber of commerce, park district and others will cooperate, Snyder explained, to provide a grounds acceptable to the Rodeo Corporation of America which would attract riders competing for points in the national program.

Snyder said he had discussed the program with Fibreboard and has secured a tentative promise that much of the required materials can be furnished at minimum cost. With volunteer labor and equipment, the grounds could be put in shape and up to RCA standards for approximately $5,000, Snyder declared.

The horsemen's president went on to explain that while construction is underway, it would be a simple matter to include a half-mile race track around the rodeo grounds. Eventually, stables for horses whose owners desire to keep them in during the winter months could be added.

Snyder said that under current planning, the annual Donner Memorial Wagon Train would conclude its trek at the grounds on Friday, leaving Saturday and Sunday for the rodeo, dancing and other activities which would certainly attract large crowds to the area each fall.

Proponents of the plan advanced the idea that the arena should be named in honor of the late James McIver because of his interest in horses and the outdoors.

Rev. Evans Leaving For Study In East

SQUAW VALLEY — The Rev. Frank Evans family of the United Church of Christ will leave Tuesday morning for Cambridge, Massachusetts, where Rev. Evans has a fellowship for semester's study at Harvard Divinity School.

After this period of refreshment, study and renewal, Rev. Evans will return to his pastorial responsibilities at Squaw Valley just after Christmas.

During the four months period, Rev. Ed Cunningham will be the interim minister.

Rev. Cunningham has just completed a ministry at the United Church of Christ in Cambell and prior to that was minister for an extended period of years at the First Congressional Church at Santa Cruz.

Rev. and Mrs. Cunningham will reside in the parsonage on Lanny Lane. Their children are grown and will not be with them. The interim pastor will be assisted by the churc moderator, David Edwards, and other officers of the church.

WSCS Will Sponsor Sale September 2-3

The rummage sale sponsored by the W. S. C. S. will take place September 2 and 3, from 9 to 6 o'clock each day in the Capitol Hall in Truckee.

All are welcome to come and select bargains during the two days of the sale.

Mrs. Schumacher Has 87th Birthday

Mrs. Oscar Schumacher, a long time Truckee resident, celebrated her 87th birth date on August 12, with the congratulations from her friends and relatives.

Mrs. Schumacher daily walks from her home to attend to her shopping and continues to take an active interest in community affairs.

Wedding Date Is Occasion For Party

Mr. and Mrs. Elmer Brown were feted Tuesday at a family party given by their daughter, Joan and sons, Richard and Ronald.

The occasion was the 30th wedding anniversary of the couple whose friends also joined in extending their best wishes to the celebrants.

SEEKS TICKET

Frank Snyder, president of the Truckee Donner Horsemen, requests the holder of ticket No. 094608 in the queen contest to contact him immediately.

Bus Schedule For School Announced For Start Tuesday

Tentative bus schedules for the opening of schools in the Tahoe Truckee Unified District next Tuesday were announced this week by Superintendent John S. Corbin.

There will be four buses available for Truckee students leaving the old elementary school between 8:10 and 8:30 a. m., also picking up students at the Shell station on the main street for both high and elementary schools.

All kindergarten children along Donner Lake and down through Gateway will ride the regular morning schedules and will be dismissed at 11:30 a. m. The kindergarten children east of Gateway-Truckee and Sierra Trailer Court will be picked up at 11:30 a. m. and arrive at school at noon and will return

(Continued on Page 5)

Lions Set Date For White Cane Drive

Hoping to raise a quartter million dollars for fulfillment of sight conservation and blind work goals of over 800 Lions Clubs in the California-Nevada Multiple District Four, Lion Joseph L. Graves, White Cane Days chairman for this area has announced that September 11 will be Lions White Cane Day this year.

"Blind work and sight conservation have long been the primary services of Lions Clubs throughout the world," says Graves. "And the many small donations to the Lions White Cane Days each year by citizens of 800 communities have financed unparalleled progress, in the service rendered by Lions to those needing eye care in the California-Nevada district."

Lion Frank Giovannoni, president of the Truckee Lions Club declares that his club is preparing to participate in the 1965 White Cane Day event, which is unique in that all costs are underwritten out of the club administration funds so that every penny donated goes only to the club's eye care fund. Funds thus raised go to a myriad of projects from support to large medical or social agencies for blind or sight-deficient to individual assistance for examinations, operations or other sight care, depending on the area of service each club seeks to provide for its community.

Seven From Here Enter Davis School

Seven graduates of the Tahoe Truckee High School are among the 3500 students admitted to the University of California at Davis for the fall semester, Registrar Elmer Wagner announced this week.

Those from here include James R. Drummond, Michael E. Sauby and Charles J. Spillner of Truckee; Kent R. Fugazi of Carnelian Bay; Max E. Hoff of Homewood, and Lory J. Herbison and Sharon L. Wall of Tahoe City.

Sauby and Fugazi are registered in the engineering courses, the others in the College of Letters and Science.

Christian Science Lecture Scheduled

Glenn L. Morning of San Francisco will give a Christian Science lecture in Reno on September 7. He will discuss a "spiritual standpoint in life turns trouble to opportunity."

The lecture will be given at 8 p. m. at the First Church of Christ Scientist, 501 Riverside Drive.

Store Clerk Cuts Finger On Meat Saw

Dave Douglas, who has been em ployed at the Truckee Z Market this summer, had the misfortune to get the middle finger of his right hand caught in the electric meat saw Saturday. The finger and bone were split down the middle nearly to the first joint.

He was treated at the Tahoe Forest Hospital and it is believed he will save the finger.

LAKE LEVEL

TAHOE CITY — Lake Tahoe's level on Wednesday was 6228.72, with 70 cubic feet per second leaving the gates at Tahoe City. High temperature was 76 degrees on August 29, low for the week was 42 degrees on the 27th.

New Ski Facility Included In Local Building Permits

H. J. Bergman, building inspector, reports that fees taken in for building and sanitation permits issued from July 22 to August 23 amount to $1,712.90.

The valuation of structures proposed in the area was $278,870, he explained.

Principal item among the permits was one to Paul H. Smith, developer of the Boreal Ridge project on Donner Summit, which totaled $102,000 for a lodge, restaurant and ski rental shop.

The development is taking place on the summit near the new freeway and is expected to be completed for this winter's sports activities.

Improvement Noted In Local Cemetery

Recent visitors to the Sierra Mountain cemetery were pleased to view the improvements which have been made during the past few months under the direction of the Truckee Cemetery Board.

One section, comprising about a quarter of the area, has been planted in grass which has beautified the portion. The balance of the cemetery is being deweeded and dead trees removed under the direction of the American Legion post and will be planted in grass and shrubs in the future.

The entire cemetery has been equipped with water during the past year, making it possible to provide the grass and plants.

The cemetery board comprises Earl Stice, president; Mrs. Connie Kammerer and Bud Dumas. Mrs. Cy Armstrong is the secretary.

Clerk Examination Called For Offices

George H. Smith, executive secretary of the post office board of U. S. civil service examiners, this week announced that applications are being accepted for civil service examinations for clerk positions in the post office in Nevada County.

They are Soda Springs, Norden, Rough and Ready, Chicago Park, Cedar Ridge and North San Juan.

Examinations will also be held for the following offices in Placer County Brockway, Carnelian Bay, Homewood, Tahoe Vista, Tahoma, Alta, Applegate, Weimar, Bowman, Dutch Flat, Meadow Vista, Penryn.

No experience is necessary and applications will be accepted until further notice from men and women who are citizens of the United States and live within the delivery zone of the post office for which they are applying. Examinations will be held in Reno or Marysville.

The starting salary is now $2.12 an hour with many fringe benefits. Application forms may be obtained from the post offices listed above.

John Ciardella Gets High Nevada Post

John Ciardella of Reno, formerly of Truckee, where he attended school and son of Humbert and the late Mrs. Ciradella, has been named senior field examiner of motor vehicle dealers in the registration division of the Nevada Department of Motor Vehicles.

Ciardella, 35, assumed his new duties this week and will have headquarters in Carson City. He has had ten years experience in law enforcement and served with the Nevada Highway Patrol, Reno Police Department and U. S. Border Patrol in Texas.

He graduated from the Truckee High School in 1947 and attended the University of Nevada. He is married and has two children.

No Seed Cone Quota For Local District

Dave Mohla, District Ranger on the Truckee District stated today that the area did not receive a seed cone quota for this year due to the surplus built up over the past two years. The cone collection has been suspended but will be picked up again within the next two years.

Thanks to the local citizens who participated in this program the district has never fallen below its quota. This cooperation is greatly appreciated and will be solicited in the future.

Bay Area Youths Believed To Have Water Ski Record

Two bay area youths believe they have set a new record for water skiing on Lake Tahoe.

Starting from Glenbrook at 7 a. m. Tuesday morning, the two, Ned Coons, 18, Vallejo and Bill Miller, 17, San Francisco, were towed back and forth across the lake between the starting point and Chambers Lodge for a distance of 124 miles, stopping only briefly for refueling the boat. It took them just 5½ hours to make the 124 miles.

Ned has been a lifeguard at Glenbrook this summer and Bill was water ski instructor.

They were towed by a boat operated by Mike Miller of the University of Washington and Jim Webb of the University of Southern California.

While no distance or time record has been established at Tahoe, the boys are convinced they have given future skiiers a real mark to shoot at.

Sanitary Board To Name New Member

The governing board of the Truckee Sanitary District has appointed their engineer, Dan Cook of Gillette & Harris, to represent the local district on the proposed super agency proposed by North Lake Tahoe studying the feasibility of installing a major sewer line to serve this entire area.

However, the board thus far has not contributed financially to the study. The North Tahoe Public Utility District and the Tahoe City Public Utility District have contributed $1000 each to finance the study of the major system.

At the next meeting of September 7 at 7:30 p. m. the board will name a successor for the late James McIver who headed the board. All applications for the position may be submitted to a board member or to Oliver Crose, district clerk.

1300 New Students Register At Sierra

More than 1,300 new students have applied for admission to Sierra College. Approximately 200 students did not meet admission requirements by deadline dates and will have to postpone attendance until the spring semester.

Admissions personnel again emphasize the importance of high school seniors beginning their planning for college at an early date in order to ensure admission. Many high school graduates ignored the final national ACT test date in early August and must defer entrance until that test is completed during the fall.

In addition to new students, an anticipated 500 to 600 students will be continuing who were enrolled last semester. Total enrollment at Sierra is projected between 1,600 and 1,700 students.

Registration for evening classes is still open. Students may apply and register by mail through September 3rd, for any of the 54 evening classes offered by Sierra College in the fall semester.

POSTS BAIL

Francisco "Joe" Archuleta, 36, Truckee, was released under $386 bail pending his appearance in the Grass Valley Judicial District Court on a charge of drunk driving. He was arrested during the weekend by the California Highway Patrol in Hills Flat.

NEW STORE HOURS

Zeph Rose, manager of the Truckee Z Market announced today that effective September 7, new store hours will be in effect. The store will be open from 9 a. m. until 8 p. m. each day.

JAIL SENTENCE

Judge Fosten Wilson of the Truckee Judicial District Court sentenced Walter Walker, 38, San Francisco to 30 days in jail for being drunk in a public place and petty theft.

LICENSE ISSUED

Vance Bailey, 20 of Truckee and Beverly Counts, 18 of Porterville received a marriage license in Nevada.

The Milton Davis address has changed from Truckee to Ogden, Utah.

Faculties In Local Schools Listed As Classes To Start

With the opening of schools in the Tahoe-Truckee Unified District next Tuesday, Superintendent John S. Corbin has announced the faculty personnel which includes some 80 teachers, principals and staff members in the certificated staff.

Included in the list are Landon Dunn, education consultant; Roy Baker, librarian; Mrs. Celia Brinkley, district nurse; Richard Small, district elementary music teacher and Mrs. Ora Weeks, special education.

Substitute teachers are Mrs. Mary Booth, Mrs. Mildred Denny, Mrs. Janet Ellison, Mrs. Tammy Lee Hendrix, Mrs. Lois Holmberg, Mrs. Dorothy Lindstrom, Mrs. Elizabeth Mulnix, Mrs. Gladys Putynkowski Mrs. Virginia Rogers, Mrs. Jeanne Rueter, Mrs. Suzanne Sales, Mrs. Nancy Tomlinson and Mrs. Barbara Zorich, for the elementary; Mrs. Virginia Rogers, junior high school; Leonard Boroviak, Mrs. Gertrude Domergue, Mrs. Marilyn Mohla and Mrs. Betty Jo Smith, secondary.

KINGS BEACH SCHOOL

Harvey Price is the principal of the Kings Beach school and other staff members are Barbara Blankenberg, Dorothy Corbin, Ruth McDown, Shirley Benelli, Dorothy

(Continued on Page 2)

Saibini Advanced In Power Company

John Saibini a graduate of the Truckee High School and well known throughout this community has been promoted to manager of the Sierra Pacific Power Company's operations. He was elevated from district superintendent of the district electric operations.

Saibini was one of four promotions to top staff positions announced by Neil W. Plath, president, and Merle H. Atcheson, senior vice president of the company.

Walter J. Herz, an employe for 31 years with the company moved up from vice president in charge of engineering to executive engineer.

New manager of the engineering for the utility is Gary M. Soule, an electric planning and design engineer for the past two years. Assigned as administrative assistant to Atcheson was Earl W. Cooper who joined the company in 1947.

Saibini, 44, started as assistant engineer and became superintendent of construction in 1949. He took over as water superintendent in 1957 and became superintendent of district electrical operations in 1964. He is a graduate of the Oakland Polytechnic Colllege with a degree in mechanical engineering.

Four Boys Are Born In Local Hospital

Four boys were born at the Tahoe Forest Hospital during the past week.

Richard Brown, four pounds, 14 ounces was born August 25 to Mr. and Mrs. Harold James Brown of Truckee.

Mr. and Mrs. Frederick A. Tuommler of Truckee are the parents of Brian Scott Toummler, six pounds, 10¼ ounces, who was born August 28.

Thomas Edgar Balderree, five pounds, 15¾ ounces, son of Mr. and Mrs. Thomas George Balderree of Tahoe City, was born August 30.

Salvador Barajas were the names selected for their son by Mr. and Mrs. Salvador F. Oropeza of Truckee on his arrival, August 30 at Tahoe Forest Hospital. The first weight was 8 pounds, 9¼ ounces.

Youth Is Held For Oakland Authority

TAHOE CITY—A 17 year old parolee from the California Youth Authority was held by Placer County sheriff's deputies at Tahoe City on a grand theft charge preferred by Oakland authorities.

The youth, identified as John William Thompson, alias Johnny Blue Boy, is alleged to have passed worthless checks in the exchange for a $3,833.50 boat and $320.50 worth of accessories. The youth is alleged to have used checks bearing the name of Jack Howard West, Lafayette, California. The bank said the account had been closed for three months.

12th Annual Swiss Wrestling Will Be Held September 18

The 12th annual Stross Schwingfest (Swiss wrestling) contest to be sponsored by Arnold Inderbitzen of Truckee will be staged on September 18, starting at 11 a. m. near the Squaw Valley Hof Brau.

Inderbitzen said that more than 22 of the nation's best wrestlers will be competing in the interesting sport. Some of the contestants will come from as far as New York and two from Switzerland. Stone throwing and junior wrestling also will be featured.

An addded attraction this year will be the Tacoma, Washington, Swiss orchestra which will play for the dance Saturday night.

The wrestling contests, started here by Inderbitzen annually attract hundreds of spectators from all over the west.

Airport Hangar Is Approved In Meet

The Nevada County Planning Commission Monday approved a use permit for an airplane hangar with fuel storage at less than four feet underground at the Truckee Tahoe Airport. The vote favoring the variance was unanimous.

The board discussed AB 1822 changes in the subdivision definitions principally in "what isn't a subdivision", as explained by Planning Director William Roberts. As a result, a new subdivision ordinance will be drawn up by County Counsel Leo Todd for submission to the commission.

No Danger Is Seen In Plague Report

CARSON CITY — A variety of 135 animals, including chipmunks, squirrels and mice has been sent to laboratories in San Francisco where they will be tested for bubonic plaue. The animals were snared in the Lake Tahoe basin this week.

Ernest Gregory, Nevada's enviromental health chief, said the action followed the finding of two chipmunks near Crystal Bay which definitely showed a mild strain of bubonic plague.

Gregory emphasized there is no cause for alarm, but cautioned persons in the lake area not to handle such animals.

A similar scare occurred in the basin several years ago and thousands of the squirrels and chipmunks were poisoned and killed by state health officials. No case of the disease was reported among humans and strong opposition to the slaughter of the animals was voiced at that time.

State Fair Opens For 12-Day Run In Sac.

SACRAMENTO — (CNS) — The California state fair opened its gates for a 12-day run of fun, frolic and horseracing September 1 at its old stand but the usually festive occasion was darkened somewhat by isolated developments of puzzling, if not unfortunate, timing.

Highlight of the September 1-12 fair this year will be the 10 days of horseracing, with a record in purses being offered. There will be a rodeo nightly, an event which has proved to be popular and a money-maker. It has supplanted the traditional horse show which now is held in June.

Auto thrill shows are scheduled before the grandstand on both Sundays, including both an afternoon and evening show on September 12. A new attraction this year will be a teen-age fair, complete with performances of a number of surfing groups, and long hair and high-heeled shoes should be in style.

The exhibit areas, while generally the same, have been spruced up with new paint that should liven the fair's appearance. A total of $266,089 will be offered in premiums for counties, floriculture, art, the rodeo, livestock, Future Farmers of America, 4-H Clubs, home economics, and the Maid of California contest.

AT JUSTICE COURT

Mrs. Pat Thornton has accepted temporary employment as clerk in the office of Judge F. W. Wilson of the Truckee Judicial District Court.

Another Election For Hospital Bonds Seen; First Short

While no official announcement has been made it appears certain that another bond election for the Tahoe Forest Hospital will be called as soon as possible so that work now under way on the expansion and modernization of the facility in Truckee can be completed.

In the election Tuesday, less than 1,000 of the nearly 4,000 eligible voters turned out and the issue was defeated by 67 votes, the total vote being 908 with 539 "yes" and 369 "no" votes cast. A total of 606 votes of the total was required to pass the issue.

In the four consolidated precincts, Truckee-Donner voted 203 for and 197 against, giving the bonds only a simple majority of six, while a two-thirds majority was needed.

Tahoe City cast 248 "yes" votes and 96 "no", while Kings Beach, the only precinct in the district to give the issue less than a single majority, voted 61 for and 64 against. Soda Springs was more than two to one in favor of the bonds with a 27 to 12 vote.

The election was called by the board of directors of the hospital district to raise $600,000 needed to complete the expansion and modernization of the facility, being erected now. The original estimate by the architect, plus rising material and labor costs, left the district short of the required amount of money raised by the bond election last year.

The only solution, directors point out, is to call another election, since the work cannot be completed without additional funds.

Beavers Buys More Martis Valley Land

Mr. and Mrs. C. S. (Butch) Beavers have purchased 50 acres of land adjoining the Ponderosa Golf Course on the east which will be subdivided and sold in one-third acre lots.

Beavers, who operates the Ponderosa Palisades Land Development and Investment Company, purchased the property from T. J. James of Tahoe Vista for a reported sum of $80,000.

Work of developing the area will be started in the near future Beavers explained, with 50 lots adjacent to the golf course being the first to be prepared for sale.

Water Hearing Set For September 7th

The California Public Utilities Commission has set the opening public hearing in the matter of investigation on the commission's own motion into the operations, rates, tariffs, contracts, practices, equipment, facilities and service of Robert E. Shields, doing business as Tahoe Pines Water, P. O. Box 607, Auburn.

Examiner John R. Gillanders will preside at the hearing which will be held Tuesday, September 7 at 1:30 p. m. in Tahoe Community Center, Tahoe City.

At this time and place, or at subsequent hearings, all interested parties may appear and be heard.

Causey, Gautsche Continue To Win

Harry Causey of Truckee continued his winning ways Saturday night when he steered his 301 fuel-injected Chevy to a victory in the 25-lap, super modified main event at the Tahoe Carson Speedway at Carson City before an estimated crowd of 4,000 spectators.

Sherman Clark of Yuba City finished second and Ron Gautsche of Truckee was third.

Dave Kettenhofen of Chambers Lodge and Dave Ohnstad of Sparks captured the heat events in the modified division.

Mrs. Boren Winner Of Prizes At Fair

Mrs. Jack Boren was notified that she has won first and third awards for oil paintings exhibited at the Nevada County Fair last week.

The artist who is treasurer of the Ponderosa Art League, had a still life and a modern landscape as her winning subjects.

Children Blamed For Highland Fire

TAHOE CITY—A brush fire in the Highlands area Tuesday was blamed on children playing with matches.

The blaze was quickly extinguished by two pumper trucks, four paid firemen and 10 volunteers, under the direction of Fire Chief Al Henry of the Tahoe City Fire Protection District.

Luncheon and Golf—

Mrs. Bud Zorich of Soda Springs was hostess at luncheon on Tuesday for a group of friends, following golf games that morning at Ponderosa Golf Course.

Gas Tax Drop Is General Surprise

SACRAMENTO — (CNS) — They said it couldn't, or wouldn't, be done. But it was.

As of September 1 the state's gasoline tax dropped from 8 cents a gallon to 7. The federal tax, of course, remained at 4 cents.

But this was the first time since the original 3-cent gasoline tax was enacted back in the 30's that it ever has been allowed to decrease.

The 1-cent increase was adopted as an emergency measure by the legislature last spring, taking effect April 1, to provide funds to rebuild highways, roads, streets and bridges damaged in the floods of last Christmas. The tax was planned to be levied until December 31 to raise an estimated $57 million for these purposes.

But not only did the new tax raise funds faster than expected, the federal government came through with more money. As a result, it was estimated enough money had been raised by August 31 to remove the tax.

When freezing stews, omit potatoes since they become mushy. This also applies to soups and meat pies.

School Faculties

(Continued from Page 1)

Smith, Maranel Thomas, Katherine Wing, Sandra Hanna, Leonora Ferrari, Alysmae Schultz, Bernard Wilen and Kenneth Whitcomb.

TAHOE LAKE SCHOOL

Darrell Smith has returned as principal of the Tahoe Lake school and his staff includes Marcia Henke, Geraldine Bean, Alison Neal, Gloria Reed, Diane Steinhauser, Betty Long, Myrtle Carnell, Lillian Farr, Ruth Evans, Elizabeth Diurni, Kathleen Kelly, Gayle Brower, Joseph Brower, Sandra Bowerman, Paul Steinhauser and James Barben.

TRUCKEE ELEMENTARY

Again this year, Weston Sauby will be principal at the Truckee elementary school and his faculty will be Beverly Humes, Pat Wurst, Denise Stein, Marilyn Marquette, Winifred Scott, Sue Reams, Karen Magnuson, Arlene Roth, Paula Conant, Jeweliann Marshall, Jack Stever, Rodney Hisken, Ann Miles, Mary Drummond and Barbara Small.

DONNER TRAIL SCHOOL

Rex Anderson, principal and intermediate teacher, will have Mrs. Paula Quist as the teacher in the kindergarten and primary grades at the Donner Trail school.

HIGH SCHOOL STAFF

The thirty teachers in the high school will be headed by Harold Drummond, principal, James Brehler, vice principal and head counselor and Carmen Norfolk, dean of girls and counselor.

Other high school faculty members are Frank Austin, Judith Butler, Dolores Corley, John Daegling, Norman Dewhurst, Virginia Doyle, Earl Ellison, Harold Fandl, Neil Gates, Thelbert Green, Marlene Hill.

Hampton Jones, Gerald Kennedy, Nancy Larsen, Doris Lucchesi, Constance McCarthy, Patricia McIntyre, Genevieve Palace, Lucille Sauby, Dwight Souers, Roger Tofft, Joan Twomey, Eligio Velesquez, John Vick, Guy Wilson, Merrilie Witham and Lawrence Youngberg.

New Type Home Is Being Displayed

A new type vacation home will be open for inspection in the Tahoe-Truckee area starting September 4. The model home, furnished by Breuner's of Sacramento, is located six miles south of Truckee on highway 89, just two miles north of the entrance to Squaw Vallley. It was designed and built by Walter White Designs, Inc., Colorado Springs.

Instead of the conventional double wall sonstruction, White has used 3 inch and 4-inch thick hemlock and cedar as single wall, roof and floor enclosure, locked to a steel frame. The steel fram makes possible a 37-foot long glass wall opening via sliding glass doors, onto a 400 square foot deck which cantilevers over the hillside. The higher strength of the steel also makes possible a heavy snow load of over 90 tons for the roof.

Charles Beardsley, real estate executive in the Tahoe area, will have salesmen from his staff on duty to answer questions about the model home as well as three other Walter White models. Beardsley is the sales agent for Walter White Vacation Homes in the north Tahoe area and had contracted for two of the models to be built on a hillside in Tahoe City. He will call them "Mountain Wonderland Chalets."

Combine freezer convenience with automatic electric range cooking by placing a meal from your freezer in the oven, setting the clock to turn oven on at proper time. Foods thaw safely at room temperature, dinner is ready to serve when you get home.

Boating Accidents In State Increase

SACRAMENTO — (CNS —Boating accidents claimed the lives of 56 persons during the first six months of 1965 and brought injuries to 44 other persons, the state division of small craft harbors reported.

The number of accidents for the six months, 1965, was a drop from the 239 accidents reported during the first half of last year.

The 56 deaths this year compared with 35 a year ago, while the injuries were less than half of the 89 reported for the first half of 1964.

As indicated by the higher death rate but lower number of accidents, Lachlan M. Richards, chief of the division, said the sharp increase in fatalities resulted from accidents with multiple deaths.

Seven died when a 35-foot vessel disappeared in the Catalina Channel. Five more died in the loss of an open 15-foot motorboat in the same channel. Four persons, two of them children, drowned in Suisun Bay when their boat swamped.

"LAKE ECHOES"
By Bethel
Reno 322-9780

"Happy is the bride the sun shines on" is an old adage but we hope a true one for Beverly Gunkel and Donald Brennaise who were married in the outdoor chapel of the Wee Kirk o' the Pines at Kings Beach on Sunday, August 21st.

For her wedding, Beverly chose a gown of imported silk Douppioni, styled with a Sabrina neckline and three-quarter sleeves. The bodice was marked with handrun Alencon lace, re-embroidered with seed pearls. A beauty bow decorated the center front in a highrise effect. Unpressed pleats gave soft fullness to the modified floor length bell skirt with a detachable court train of matching Douppioni silk, lined with taffeta which fell from the natural back waistline into a graceful sweep. The headpiece was a Camelot cap which secured a fingertip Mantilla of French imported handclipped Chantilly lace.

The bride was given in marriage by her father, Lyle Gunkel. Rev. William Marx officiated at the double ring ceremony.

The bridesmaids were Barbara Berrum of Sacramento, the bride's sister, Pat Edwards, Tahoe Vista, and her sister in law, Ann Gunkel of Kings Beach. All wore matching dresses of complementary blue with shoes to match and carried yellow chrysanthum corsages. The white lace gloves and caps matched the lace which trimmed their dresses.

Best man was Al Brennaise, the groom's brother, of Lodi.

Four year old, Karen Gunkel, daughter of the bride's brother and sister in law, Gary and Ann Gunkel of Kings Beach, was flower girl and was dressed to match the bridesmaids.

The bride's mother, Adeline Gunkel, wore a turquoise chiffon dress with matching hat, shoes and bag with an orchid corsage.

Mrs. Arthur Brennaise of Lodi, the groom's mother, wore a two-piece suit of light blue and wore an orchid corsage.

A banquet was held following the ceremony at the Crystal Bay Club for over 200 guests. After opening the wedding gifts, the young couple left for a honeymoon in Mexico. For her going away costume, Beverly chose a two piece white suit, a white hat and avocado colored accessories.

They will be at home in Sacramento where both will teach this year.

Out of town guests at the Gunkel-Brennaise wedding were Joan Mimaki of Anderson, Carla Mieske of Redding, Al and Luella Brennaise and children, Shelley and Vicki of Carmichael, Mr. and Mrs. Wm. D. Gunkel of Lodi, grandparents of the bride, Owen and Gwen Gunkel and daughter Terri of Stockton, the bride's uncle, Dick and Terry Polson of Incline Village, the bride's uncle, Paul and Goodrun Polson of San Jose, the bride's uncle, (Goodrun was the former Goodrun Johannsen of Tahoe Vista), Clitis and Mary Todd of Fremont, Mike and Jean Cinani and sons, Pat and Dick, of Reno, Mr. and Mrs. P. D. Sohn of San Leandro, long time friends of Lyle and Adeline Gunkel when they were neighbors in Oakland, Bethel Van Tassel and son, Pieter of Reno.

* * *

Jean Murray of Tahoe Vista has had as her house guests, niece, Jeanne Butler of Palo Alto and Peter Mennen of New Jersey. Jeanne and Peter attended the University of the Americas last year.

* * *

Happy birthday, Jean Cinani of Reno, former North Shore area resi-August 19th. To Marguerite Ash-August 19th⅜ To Marguerite Ashton of Kings Beach who observed her birthday on August 20th with dinner at Forest Inn with husband, Dave, and grandson, Mike. To Charles Hooper, son of Harry and Ceta, who celebrated his 12th birthday July 22.

Birthdays celebrated in July were Ruth Mizner on the 18th, son, Timmy, celebrated the same day, and Timmy's wife, Penny, the 10th while Timmy and Penny's son, Peter, was one year old on the 13th.

Timmy is attending Humboldt State College at Eureka.

* * *

Ruth Mizner of Kings Beach enjoyed a visit to her daughter and family, Gwen and Dan McGrew and children, Matt, one year old, and Scott, almost three, in Berkeley last week.

* * *

Rev. William and Noreen Marx of Kings Beach observed their twelth wedding anniversary on August 23rd.

* * *

A month's vacation for great grandson and great grandaughter John and Candy Lee Jackson of Barstow ,children of Kenneth and Patsy Jackson, to home of Henry Chanda of Carnelian Bay.

* * *

Robert and Mae Critchley of Tahoe Vista announced the engagement of their daughter, Cheri, to Dennis Thibault of Denver, Colorado. The young couple met while Dennis was vacationing at Lake Tahoe this summer. A September weddin is planned by Cheri who will make her home in Denver following her wedding.

* * *

George and Terri Stewart of Mountain View vacationed at "our" cabin in Tahoe Vista for the past week.

* * *

Francis and Juanita Clark of Marysville, Jim and Gloria Neeley and sons, Jamie and Britt, and Doris Hooper of Sacramento, joined Glen and Flo Silvey and daughter, Cheryl of Hayward, and Glen and Bonnie Weldon and daughter, June of Visalia, for a reunion at the home of Harry and Ceta Hooper and sons, Charles and Jon, at Brockway last week. Francis, Glen and Ceta attended grammer school together at Hammonton and high high school at Marysville, while Flo worked with Ceta for Harry at the Payless Drug Store in Marysville. Gloria is Harry's daughter.

The Weldons returned home via Sacramento where they visited Glen's mother, Judith.

* * *

Lyle and Adeline Gunkel and son Greg, of Tahoe Vista, atttended the wedding of Adeline's niece, Jean Stonebarger, daughter of Mr. and Mrs. Gene Stonebarger of Antioch this past Sunday.

* * *

Jon Hooper and Cheryl Silvey visited the Richards home in Reno Sunday morning to hear Pat Boone speak to a group of Mormon young people.

* * *

Attending the American Cancer Society fashion show and luncheon at the Elks Club in Reno Wednesday were Jerry Rayburn of Incline Beach, Gavonne Black of Kings Beach, Henrietta Casaretto of Brockway, Lesta Stites, Rosella Cummings and Bethel Van Tassel of Reno, Inez Jordan of Incline Village, Vi Kayser of Houston, Texas, Dora Swartz of New York, Dorothy Gilmore and Velva Herman of Incline Village, Renee Van Buren of Crystal Bay, Louise Walter and Deede McKinney of Kings Beach, Marlea Tamblyn and Pearl Draney of Incline Beach, Gwen Wood and Ann Tiller of Incline Village.

Linda Draney of Incline Village was one of the models in the show. Linda holds two crowns, "Miss Sierra Sno-Flake" and "Miss Lake Tahoe", and will compete in the forthcoming "Miss World Boat Regatta" contest at South Tahoe this month.

* * *

Arthur L. Wood of Incline Village was named by the Washoe County commissioners to represent the county on the Lake Tahoe Joint Study Committee.

The committee is to develop a program for a governing authority for the Tahoe basin which will regulate zoning, municipal services and police powers.

One member from each county bordering the lake in Nevada and California and one representative of each of the two state governors compose the committee.

The commissioners by ballot vote of 3 to 2 selected Wood over Wallace Warren.

* * *

Melvin and Althea Mensor of Menlo Park visited longtime friends Greg and Virginia Engelhard at Incline Village Sunday.

* * *

Al and Margy Eberhart and son, Mathew Todd, visited both of their parents, Veral and Mary Eberhart and Jim and Peg Mandeville at Kings Beach en route from a mission study in Arizona to their Los

DONNER DOINGS. . . .

By Vi White

Some of the things that I'll remember about the Wagon Train trek from Campbell's Hot Springs to Truckee, are:

The western party the night before that was spirited on by Donner Lakers, Kate and "Poncho" Ski Miles; Doris and Willie Curran; "Rusty" and Bob Randol; Liz and Bill Knapp; Emily and Dick Swanson; Pat and George Wurst and the Whites. . . .

Janet Draney being crowned Queen of the wagon train with Janice Randol and Charlene Wyrick named attendants. . . .

Waking up at daybreak by the shattering sounds of animals—great he-haws of the mules, the whinnying and grunts of horses.

Excitement of the kids the first night out, the creaking of leather saddles, the rumble of wagons and the sounds of encouragement to animals pulling heavy loads. . .

The strong camp coffee that wasn't ready unless it took the handles off the cups or curled the spoon, the smell of wood smoke, the sight of "Saw Bones" Wiser squirting the roaring fire under the steaks with a hypodermic syringe . . . the shock of falling off Two-ton Charlie when his foot went into a hole. . .riding the rest of the journey atop Freckles, a much slower horse . . . the aches and pains from the jolt . . .

The amazement of Frank Hall finding an obsidian arrowhead while riding his horse . . the feel of the hard ground under the sleeping bag . . the sight of snow plants still blooming so late in the year . . . the terrible extent of the Donner burn . . the sigh of relief at the end of the ride, after parading through Truckee . . . and the feel of a hot bath at home!

Hope next time more vacationers will join the group.

* * *

Kids on their last week of vacation are having nice weather for all types of water sports this week and it looks like the coming three-day Labor Day weekend should be excellent.

* * *

The passing of the sewer bond election last week was wonderful. Only too sorry that Jim McIver didn't live to see the fruits of his work.

* * *

New officers will take over at the Donner Lake Property Owners' Association meeting Sunday at 1 p. m. on their beach. Bill Murphy succeeds Bill Lewis as president, Jim Peters succeeds Dorothy Urst as 1st vice president, John Maragliano succeeds Jim Peters as 2nd vice president, Jim Cullen starts his second term as treasurer and Dawn Whitney succeeds Vi White as secretary.

The all important road assessment district, beach projects and incorporation will be discussed at the meeting.

* * *

We want to welcome our next door neighbor Roy Baker back to God's country after his extensive tour behind the Iron Curtain this summer.

* * *

George Wurst closed his Cold Stream Stables and joined the wagon train since all his horses had been rented out for the trip. Pat and the kids went too.

* * *

Donna Warnke, Margaret and Dr. Charles Widenmann, Marcella and Joe Corro and the Paul Shivelys came out to the wagon train camp above Woodchopper Springs Friday night to join in the campfire sing.

Registration Being Started At Sierra

Registration for students attending evening classes only at Sierra College is now being conducted by mail. Students are urged to contact the college early to obtain admissions materials. It is not necessary to come in personally, although students who wish counseling may phone the college for appointments.

Students who wish to enroll in an English class for the first time must take the English placement test Monday evening, August 30th, at 7 p. m. in the college library.

Forty-one classes are being offered on the Rocklin campus and an additional 13 classes are being taught in extension at Nevada Union High School in the evenings. Registration for all classes may be made by mail.

SUN ADS GET RESULTS

AFFAIRS OF STATE

by Henry C. MacArthur

SACRAMENTO — (CNS) — The hassle over a bar-room at the top of the ski lift in Squaw Valley has now reached the stage where Assemblyman Jerome T. Waldie, D-Contra Costa, has filed a protest against issuance of a dpulicate license for the premise, which is held by Alex Cushing, operator of a lodge in the area.

Cushing's original license for his lodge is not for premises in a state park. The resort is located on private property. he duplicate license is for premises on forest service property, which is leased to the state for recreational purposes, rather than state park purposes.

Assemblyman Waldie opposes liquor in state parks, he feels that the department of alcohol beverage control over-stepped its authority in issuing the duplicate license, and as a citizen, appeals to higher authority, despite the fact the attorney general ruled in another case that under state contract the department had no other choice.

By the time all the technicalities of law are ironed out, all the avenues of remedy explored, and all the comment on way or the other printed, a good many kegs of grog will have been consumed at the top of the ski lift, and if Assemblyman Waldie is victorious in his battle to keep skiiers from having a hot rum punch on a cold day, he will have earned the undying ingratitude on many a hillside skimmer.

This column does not purport to argue whether a bar at the top of Squaw Valley ski lift is good, bad, or indifferent. It is a matter of minor personal concern, as this writer never intends to go up there anyhow.

But the hassle does bring to light some inconsistencies which might be mentioned.

First, there is the fact that a parallel case existed in the instance of Mt. San Jacinto, in Riverside County, where a bar is in operation at the top of the lift. This was opposed by Ed Dolder,, then chief of the state division of beaches and parks, but his opposition was written off by the attorney general, whose decision in the Riverside case can be applied to Squaw Valley.

Why the top of one ski lift should be treated differently than the top of another lift, assuming both are on state property, remains a good question, but one for which Assemblyman Waldie no doubt has the answer.

Second, and more important, is the fact that through the law banning liquor establishments in state parks, the state may well be preempting the rights of the people to have the state parks operated as they desire. There seems to be no more reason why a citizen should be prohibited from buying a bottle in a state park grocery store, or a drink in a state park bar, than being forced to go across the street, or drive miles to obtain a commodity which is perfectly legal to sell in California.

The state pre-empted liquor sales and regulations a good many years ago. At that time, many communities which would have liked to remain "dry", had liquor establishments forced upon them through this pre-emption. Logically, the state is not treating all areas alike when it forces liquor on one community, and disallows it in another.

Growth of state parks makes them in effect, transient communities.

It will be interesting to see how Assemblyman Waldie's protest come out of its legal tangle.

Repair Sugar Bowl—

Sugar Bowl Corp. at Norden received a permit for repairs amounting to $14,100.

Cardinal to Auburn—

Mr. and Mrs. Heslin Cardinal and children, Dianne and Bill are occupying their new home at Auburn, where Cardinal has been transferred by the California division of highways from the Sierraville district. The family formerly resided here.

County Taxpayers School Bill Is Told

Nevada County taxpayers pay 49 cents out of each property tax dollar for schools, compared to the statewide average of 51 cents, Paul R. Leake of the state board of equalization revealed today.

Leake, third district member of the board, also disclosed that on the avgerage 31 cents of the tax dollar goes to the county, cities get 12 cents and the remaining 6 cents goes to special districts.

This compared to Nevada County's share of 41 cents, the cities' 6 cents and 4 cents to special districts.

Placer County taxpayers pay 56 cents for schools, 6 cents to the cities, 30 cents to the county and 8 cents to special districts out of each property tax dollar.

VIVE LES GIRLS IN FINAL WEEK

CRYSTAL BAY—Now in its last weekend in the Nevada Lodge's Topaz Room spotlight, the Paris-created Vive Les Girls revue, produced by Frederic Apcar, has been hailed by the thousands who have seen the big show as this year's most entertaining revue in the Reno-Tahoe area.

Stunning costumes, striking stage settings, magnificent show girls and original musical presentations are the key to the success of the lavish "Parisian" revue designed for adults only that closes Labor Day night in the Topaz Room.

Watusi Whing Ding, a fiery, vibrant dance revue featuring over twenty dancers who belt out the latest in the American genre of dance opens Thursday, September 9, in the center stage of the Nevada Lodge's Topaz Room. The Watusi show, an entirely new and different revue will appeal to those who like the tempo very upbeat. Magnificent settings, an array of American beauties and expert choreography, perfectly executed, proclaim the Watusi Whing-Ding show as another hit revue to grace the Nevada Lodge year 'round entertainment calendar.

Sharing the Topaz Room spotlight through September 12 are Deedy and Bill, one of the wildest, funniest comedy acts to grace the Nevada Lodge in years. Deedy's famous antics, backed by Bill's terrific piano artistry make the duo one of the most successful in the national show circuit—as can be attested to by rave revues from coast to coast.

If it's fun you're after, then this weekend's entertainment bill at the Nevada Lodge will be your cup of tea. If you've missed the fabulous Vive Les Girls revue, make it a point to catch them this weekend.

PLEADS GUILTY

TAHOE CITY—William C. McConnell of Kings Beach pleaded guilty to a charge of battery before Judge Robert Fugazi in the Tahoe Judicial District Court and was fined $250, with $150 suspended. William Luffy of Tahoe City pleaded guilty to being intoxicated in a public place and was fined $82.50.

The Case of the HIDDEN WATER HEATER

OR One More Reason Why Electric Heating Is Best

That's right, you may **actually *hide*** your electric hot water heater. It **requires no air** circulation, there's no combustion **(hence no expensive-to-install venting system), it is cool** and insulated (you can store **things next to it** and it's safe for children, too). Your **electric water** heater can be installed anywhere, **in the kitchen,** utility room, attic, basement, **under stairs, even** in a closet.

HERE ARE SOME MORE ADVANTAGES

It's AUTOMATIC — Your **electric water** heater doesn't require a bit of attention. **Turn on** the faucet and the hot water **is there.**

It's SAFE — The shell is completely **enclosed.** There is no flame, no exposed **heating units** or controls.

It's EFFICIENT — Because thick insulation keeps all the heat *inside* the tank **all the heat goes** *into* the tank. None of it is wasted in a vent or chimney.

It's LONGER LASTING — Since all the heating elements are not at the bottom of the tank there is less scale and corrosion at the base.

It's TROUBLE-FREE — There are no moving parts to wear out, no valves to stick, no burners to clog. And of course there's no possibility of leaking fuel or fumes.

CONSTANT TEMPERATURE

The typical heater is designed so that 80 to 90 percent of the water can be drawn off without the incoming cold water noticeably lowering the temperature, a trick that's accomplished by a cold water baffle. Each typical tank contains not one heating unit but two, one at the bottom and one at the top of the tank. The top unit operates only when there is an extra heavy demand for hot water. The top and bottom thermostats are interlocked so that only one unit can operate at a time.

It all adds up to efficient and trouble-free operation. And of course efficiency means economy. That's important too.

Plan Is Suggested For City At Tahoe

The formation of an incorporated city along the entire northwest shore of Lake Tahoe was proposed to the Placer County Board of Supervisors by Supervisor Robert Radovich, board's chairman.

According to Radovich the skyrocketing demand for urban amenities and municipal services can be answered only by local city government in the area.

The suggestion was made during final budget hearings when the board was presented with a $130,000 Tahoe promotional scheme. Jack Domergue and Wendell Russell made the budget request and suggested that it could come from the hotel-motel tax.

The supervisor, who is also chairman of the county's water agency, proposed that the county finance some portion of a feasibility and organizationn study as the first steps leading to incorporation. He also asked that this financing be drawn from the county's controversial hotel-motel tax monies.

Although no name was proposed for the new city it would encompass an area running from Tahoma, at the El Dorado County line to the Nevada State line. The area measures approximately one mile by 16 miles.

Radovich said his proposal was based on considerations that the new city could control all of its financing, local planning, and pass ordinances to handle local growth problems.

Adequate financing for the new strip city would be assured from the revenues from property taxes, the hotel-motel room tax, and sales taxes generated in the area. Assessed value of the area is nearly $23 million and climbing sharply.

"It is my honest belief," Radovich declared, "that forming an incorporated city at Lake Tahoe would be a tremendous step forward for both the lake area and Placer County."

"Other Placer County cities have shown us what they can really do to solve local problems," Radovich continued.

In citing the exceptional leadership displayed by the Tahoe area residents Board Chairman Radovich said that these people should be used fully in the development of their region.

The Placer supervisor indicated that a part of the existing county administrative offices at the lake could be made available as "city hall" on a sharing basis until the new city "could" see its way clear to build its own facilities.

Supervisor William Briner who represents the lake area on the board said he felt the idea for incorporation was "premature at this time", but offered no counter solutions to the area's growing problems.

Radovich declared that he would ask the board to authorize the county executive and staff members to explore the cost of getting a feasibility study for the area.

Warning Issued On Traffic On Holiday

Lieutenant O. P. Ledford, officer-in-charge of the California Highway Patrol's Truckee substation, posed an unusual question for motorists:

If you thought you were going to have a traffic accident on the Labor Day weekend, what would you do about it?

"Many people dismiss the thought of accidents because it's more comfortable to do so. But the potential for accidents always exists."

He suggested that the most reasonable answer to the question is "taking those steps which offer the greatest assurance that you won't be involved in an accident."

First, be alert. The other driver may make mistakes. Be ready to compensate for them.

Second, to be alert, you must be fresh. Sleepiness, emotional upset, or the loss of normal reactions caused by alcohol leave you at less than your best.

Third, let the law assist you. Driving laws, if obeyed, are one of your best protections against accidents. The law is a shield, not a restraint.

"We will have all available officers on the road for your protection and assistance. But remember that accident reduction depends primarily on you and the way you drive."

Local Property Is Assessed At 21 Per Cent Of Real Value

The State board of equalization today announced that Nevada County assessed its property at 21 per cent of its full cash value, a key factor in state school aid.

Member Paul R. Leake said that the board found the 58-county weighted average was 21.8 per cent for the 1965-66 fiscal years.

Nevada County's ratio, together with its ratios of the two previous years, will be used by the department of education to compute state aid to school districts.

The board is empowered September 2 to raise or reduce assessed values—the basis for tax rates—in those counties whose assessment ratios vary too far from the statewide average.

Placer County asssessed its property at 20.5 per cent of its full face value, Leake's report showed. Sierra County was at 22.2 per cent. The range for the 58 counties was from 17.9 in Lake County to 25.4 in Alpine.

Issued License—

Brian Worrell, 18 of Crystal Bay and Michele La Tona, 18, Incline Village were issued a marriage license at Carson City, Nevada.

Smog Stations Will Be Setup By Patrol

SACRAMENTO — (CNS) — The California Highway Patrol announced today it will begin accepting applications on September 1 for licenses to operate smog control device installation-inspection stations in every California county.

It's expected qualified stations would be licensed to handle business about October 1. Licenses will include two types: Class A, authorized to install and service both exhaust and crankcase devices; and Class B, to install and service only crankcase devices.

Stations presently operating, where only crankcase devices are involved, have been designated provisional Class B stations, pending their application for new licenses.

Moving South—

Mr. and Mrs. Howard Guth, formerly of Tahoe City wrote that they are going south with the birds, moving from Sacramento to Laguna Hills.

Motorists Warned As Classes To Start

Schools will soon be open again and motorists are urged to be particularly careful in school areas and around school buses. The California State Automobile Association reminds drivers that many kindergarten and primary school children are on their own in traffic for the first time.

Many younsters, particularly in rural and new suburban areas which have no sidewalks, will have to walk along the roadway. Motorists are urged to be alert for these students and for those who must cross streets at unprotected corners.

Parents are reminded by the CSAA that it is their responsibility to inform children of correct safety habits. Here are some of the basic safety rules which parents should impress upon their school-age boys and girls:

1. Look both ways before crossing the street.
2. Keep away from between parked cars.
3. Obey traffic signals.
4. Face traffic when walking on roads without sidewalks.
5. Cross only at safe corners, and, if possible, only at corners where traffic is controlled.
6. Walk, don't run, across streets.

Edward Dolder Has New State Position

SACRAMENTO — (CNS) —Edward F. Dolder, 26-year veteran in state service and holder of most of the executive jobs in the resources and park administration in state government, has been appointed deputy director of the department of parks and recreation.

Governor Edmund G. Brown, in announcing the appointment, said Dolder would replace John H. Knight, who would return to a position he formerly held as deputy chief of the division of beaches and parks within the P&R department.

The announcement was the latest in a series of shake-ups in the higher echelon of the department which have taken place in the last year or so.

At one time, before the department of parks and recreation was created, Charles A. DeTurk was chief of the division of beaches and parks and Dolder was the deputy chief. When the new department was created in 1961, DeTurk was made its director and Dolder became chief of beaches and parks, with Knight as his deputy.

NOTICE OF SALE REAL PROPERTY

Under and by virtue of an execution issued out of the Superior Court of County of El Dorado, State of California, on the 21st day of May, 1965, in an action numbered 12571 wherein ELMER BAILEY as plaintiff recovered judgment against CLINT BRINES defendant, on the 7th day of April, 1965, for one-thousand, Nine-hundred and fourteen and 95/100 ($1,914.95) dollars, lawful money of the United States of America, with costs of suit, accrued interest, fees and commissions of levying officer added thereon. I have levied upon the following described real property, to-wit:

The Southwest one-quarter of Section 22, Township 18 North, Range 16 East, M. D. B. & N., excepting therefrom the Easterly 200 feet of the Northerly 400 feet of said Southwest one-quarter of Section 22.

And notice is hereby given, that on Friday, the 17th day of September 1965, at 11 o'clock A. M., in front of the Sheriff's Office, County Building, Truckee, County of Nevada, State of California, I will sell all the right, title, and interest of said defendant, CLINT BRINES in and to the above described property, or so much thereof as may be necessary, at PUBLIC AUCTION, for cash in lawful money of the United States, to the highest and best bidder, to satisfy said execution and all costs.

Dated at Nevada City, California, this 25th day of August 1965.
WAYNE BROWN,
Sheriff, County of Nevada
Elmer Oates, Sgt.. (Civil)

NOTICE OF TRUSTEE'S SALE No. 876

On Thursday, the 23rd day of September, 1965, at the hour of 10:00 o'clock A. M., of said day, at the Main entrance to the County Court House situated in the City of Nevada City, County of Nevada, State of California, Northern Counties Title Insurance Company, a corporation, as trustee, will sell at public auction, to the highest bidder, for cash, in lawful money of the United States, all payable at the time of sale, the following described real property, situated in the County of Nevada, State of California, and described as follows, to-wit:

All those portions of the northeast ¼ of the southeast ¼ and of the southeast ¼ of the northeast ¼, in Section 22, Township 17 north, Range 14 east, which said portions lie northeasterly of the northeasterly line of the existing 400-foot right of way of Southern Pacific Company railroad, and southwesterly of the southwesterly right of way line of the existing State Highway No. 40 (California State Highway III-Nev-37B)

(LEGAL NOTICE)

EXCEPTING THEREFROM that portion of the above described property which lies northwesterly of the southwesterly line of that certain parcel of land as conveyed by the Deed dated October 31, 1962, recorded November 1, 1962 in Book "325" of Official Records, at page 531, executed by Beacon Hill Lodge, Inc., to Felice Moriano, et ux.

Said sale will be made without covenant or warranty regarding title, possession or encumbrances to satisfy the obligation secured by and pursuant to the power of sale conferred in a certain deed of trust executed by Beacon Hill Lodge, Inc., a corporation trustor to Northern Counties Title Insurance Company, a corporation as trustee, for the benefit and security of Felice Moriano and Robert B. Leando, dated December 14, 1962 and recorded December 17, 1962, in the office of the County Recorder of the County of Nevada, State of California, in Liber 328 of Official Records at page 142.

The beneficial interest under the above deed of trust now vests of record in the names of Max W. Eiselt and Jeanne Eiselt, his wife, as to an undivided ½ interest in joint tenancy, and Richard M. Eiselt a married man, as his separate property, as to an undivided ½ interest.

NORTHERN COUNTIES TITLE INSURANCE COMPANY, a corporation, as Trustee.
Dated August 20, 1965.

August 19, 1965
Present: Mr. Theo. A. Kohler, Jr., County Clerk
Mr. Leo J. Todd, County Counsel.

The meeting was called to order at 10:00 A.M. and all supervisors were noted as present.

Upon a motion made, duly seconded and passed unanimously, the minutes of the preceding meeting were approved as presented by the Clerk.

Resolution 65-151 (A Resolution amending the Authorized Personnel Resolution) in the Welfare Department, was adopted by the Board.

Resolution 65-152 (A Resolution amending the Authorized Personnel Resolution - County Counsel's Office) adopted by the Board.

Resolution 65-153 (A Resolution amending the Authorized Personnel Resolution - Department of Public Works) was adopted by the Board.

Ordinance #323 (An Ordinance amending the Nevada County Code, 1965, as amended) was adopted by the Board.

This being the time heretofore set for receiving sealed bids for School Bonds in the Ready Springs Union School District, the Chairman called for bids and three bids were received:

1. Dean Witter & Company: Net total interest cost from date of bonds to maturity on the basis of the bid was $23,673.00. This figures an average interest cost of approximately 3.9389%.

2. Wells Fargo Bank: The gross interest cost to the District is $24,385.00. After deducting a premium of $10.00, the net interest is $24,375.00, for an average net interest cost of 4.0557%.

3. Bank of America: Will pay par and accrued interest to date of delivery, plus a premium of $41.00. Estimated Net Interest Cost $24,316.50, or 4.046%.

Resolution 65-154 (A Resolution of Award - Dean Witter & Company) was adopted by the Board.

A motion was made, duly seconded and passed unanimously, to adopt the 1965-1966 Fiscal Year Budget in the mount of $5,067,256.00.

The County Assessor appeared before the Board and presented the report of his Department.

Resolution 65-155 (A Resolution approving and favoring the retention of the name of Donner Summit) was adopted by the Board.

Resolution 65-156 (A Resolution adopting the Final County Budget) was adopted by the Board.

Resolution 65-157 (A Resolution approving. Supplemental Agreement with Southern Pacific Company and authorizing the Chairman to sign name) was adopted by the Board.

Resolution 65-158 (A Resolution approving Freeway Agreement and authorizing the Chairman to sign to sign same) was adopted by the same) was adopted by the Board.

Resolution 65-159 (A Resolution approving agreement with the Tahoe Forest Hospital District and authorizing Chairman to sign same) was adopted by the Board.

Resolution 65-160 (A Resolution forming the Gateway Precinct-Truckee) adopted by the Board.

The County Counsel pointed out that in our Ordinance #310, regarding Hotel-Motel Tax, under Section 4b, there is a clause stating that no tax shall be imposed on any officer or employee of the United States or of the State of California, when on official business. However, the Attorney General has come out with a rule that these people are not exempt from these taxes. The County Counsel asked what the Board wished to do about this rule.

A motion was made, duly seconded and passed unanimously, directing the County Counsel to amend the Ordinance #310, to eliminate that Section which exempts officers or employees of the United States or of the State of California, when on official business.

Dr. Rayburn, Medical Director, appeared before the Board and presented the business of the County Hospital.

The Purchasing Agent appeared before the Board and presented the report of his Department.

A motion was made, duly seconded and passed unanimously, to adjourn for lunch.

AFTERNOON SESSION:

The Board reconvened at the hour of 1:30 P.M. and all Supervisors were noted as present.

Resolution 65-161 (A Resolution accepting the completion of the Water Line Construction - Loma Rica Airport) was adopted by the Board.

The Purchasing Agent reappeared before the Board and presented quotations for snow removal equipment for the Truckee Division.

A Minute Order was directed to the Purchasing Agent to acquire 1 Hough Payloader and 1 Snowblast Rotary Snow Removal Machine.

The Director of the Department of Public Works appeared before the Board and presented the business of his Department.

Resolution 65-162 (A Resolution authorizing the Chairman to execute County - State Agreement #11) was adopted by the Board.

The Planning Director appeared before the Board and presented the business of his Department.

Resolution 65-163 (A Resolution approving and accepting the Easement Grant Deed from Patricia M. Lewis, to the County of Nevada) adopted by the Board.

Resolution 65-164 (A Resolution of Intention to sell Tax Deeded Property - Buena Vista Fruit Tracts) adopted by the Board.

There being no further business to come before the Board a motion was made, duly seconded and passed unanimously, to adjourn Sine Die, to meet again on September 1st.

The time of adjournment was noted as 4:05 P.M.

I THEO A. KOHLER, JR., County Clerk & Ex-Officio Clerk to the Board of Supervisors of the County of Nevada, do hereby certify the foregoing to be a true excerpt of the minutes of the meeting of the Board of Supervisors held on August 19,1965. IN WITNESS HEREOF I hereunto affixed by hand and official seal this 26th day of August 1965. (SEAL)

THEO. A. KOHLER, JR.
County Clerk & Ex-Officio Clerk
Board of Supervisors

Assessment Probe Urged For Placer

AUBURN—A group, calling itself the Placer County Citizens Committee on Tax Research, describing assessment practices in Placer County as "shocking" and "preferential", has urged an investigation, if not by the county then by the state, into the assessment procedures of Assessor Loyd Geraldson.

Spokesman for the group, appointed two years ago by the board of supervisors was Terry Feil. Feil maintained that more than half the land in Placer County has not been appraised since 1960; that property owners at Lake Tahoe and in the heavier populated areas of Roseville and Folsom lake, for example, are over-assessed in comparison with the rest of the county; and that certain private corporations with large land holdings are receiving preferential treatment.

Feil appeared before the supervisors and said that "something like 40,000" parcels had been involved in the inquiry, but was corrected by a member of the committee who declared the number of parcels was closer to 1,000.

Demonstration Of Splicing At Fair

SACRAMENTO—Looking like a frantic banquet cook stirring a pot of seething, colorful spaghetti, a Pacific Telephone splicer will demonstrate just what it takes to splice a telephone cable together for the 12 days of the Sept. 1-12 California State Fair, in the Telephone Building.

Just one of many fine exhibits following the "Telephone Service and People" theme, cable splicing demonstrations will be joined by replicas of underseas cables, "see and hear your telephone voice" exhibits, and displays of historical and antique telephones.

Wagon Train Ends Successful Journey

The fourth annual Donner Memorial Wagon Train, sponsored by the Truckee-Donner Horsemen's Association, came to a successful conclusion Sunday with a public breakfast, a day of sporting events and a barbecue at the new recreation park just south of the Truckee river.

The crowning of Miss Janet Denney as queen of the train featured the first night's activities at Campbell Hot Springs where the wagons and horsemen assembled for a buffet and evening of dancing last Thursday. Miss Charlene Wyrick and Miss Janice Randol were the princesses.

The second night was spent at Bear Valley just short of the Russell ranch, the scheduled stop and on Friday, the train moved south to a location three miles north of Woodchopper Springs covering 14 miles over the rough terrain.

Saturday the group drove into Truckee where a parade through the business section as far west as Smart's was the highlight of the day. After the parade, the horsemen went to the recreation park where an evening of entertainment was enjoyed.

Sunday was devoted to the public breakfast sponsored by the Truckee Lions Club when more than 300 were fed, and a day of games, contests, horse riding events, concluding with a barbecue presided over by Hal Welch.

Frank Snyder, president of the association, said the train was most successful and already plans are being developed for next year's trip.

Lloyd Van Sickle was efficient wagon master and kept the wagons moving without any difficulty whatever.

Nine wagons and more than a score of horse riders made up the train.

One of the enjoyable features of Saturday's campfire program was a talk by Bert Troelsen, historical guide at the Donner Museum, who discussed the Donner tragedy which the wagon train memorializes.

Mr. and Mrs. Tony Pace had as their recent house guest, Mrs. Elise Westbrook of Milbrae.

Membership Meet Of Council Sept. 10

The semi-annual membership meeting of the Lake Tahoe Area Council will be held on Friday, September 10 at Harvey's Resort Hotel in the Ponderosa Room, commencing promptly at 3 p. m. The meeting will be followed by a social hour at 5 p. m. and seafood buffet at 6:30.

Featured at the afternoon session will be a report by Ed Whisman of the California Department of Water Resources concerning findings in connection with the lake surveillance program being conducted by the two states. Professor P. H. McGauhey will give a brief summary of the board of consultants' work in connection with the overall sewerage program, and Win Priday will present plans for sewage export contemplated by the South Tahoe Public Utility District. There will also be brief remarks by the executive director in connection with the activities report enclosed, and an election of directors.

Featured dinner meeting speaker will be Alfred E. Heller, publisher of the Nevada County Nugget and prominent Californian who serves as president of California Tomorrow, a conservation and planning education organization dedicated to the preservation of the beauty and productivity of California. Heller was the co-author with Samuel E. Wood of "California, Going, Going", and "The Phantom Cities of California."

(LEGAL NOTICE)

NOTICE TO BIDDERS

NOTICE IS HEREBY GIVEN that sealed bids will be received by the Governing Board of the Truckee Public Utility District of Truckee, Nevada County, California, on or before, but no later than 2:00 p.m. on the 16th of September, 1965, for full treated Douglas Fir poles in grade and quantity as follows:

Length	Class	Quantity
50 feet	2	4
45 feet	2	6
45 feet	3	24

Douglas Fir poles shall be pentachlorophenol treated and meet the requirements of AWPA Standard P8. Delivery shall be made by truck, F.O.B. Truckee yard. Copies of specifications may be obtained from the District office.

The Governing Board reserves the right to reject any or all bids, to waive irregularities, and be the sole judge of the suitability of items offered.

By order of the Board of Directors of the Truckee Public Utility District.

August 25, 1965.
